Welcome back for the 2026 growing season! We hope you are as excited about this upcoming year as we are.

If you have any questions, please contact us!

All plants will feature a label for ease in identification and come in a deep 4" square pot packed in a display flat (18 pots) that keep the plants organized, upright and easy to move. We are growing our herbs in soil designed to promote the healthiest plants possible.

The 1206 (72 cell) containers are 12 packs of 6 plants in a full size 1020 flat and are useful for direct sale to customers in 6 packs or for moving up to larger pots or mixed containers. Herbs in 1206's will be gladly grown as a special order placed that need to be places **6-8 WEEKS** in advance of the date that you need them.

This year we will, again, be preparing periodic availability lists. If you wish to receive this list by email, **please** include your email with your first order. Please do not hesitate to call with any questions.
