Our staff will make up a limited run of mixed containers based on plants we have on hand. The results are beautiful and unique! Stop in and see what’s growing! Or ask our staff to design some in advance for your customers.		LATER		
NOTE: Nemophila are cool loving varieties so as we inch closer to summer weather the penny black may be substituted with ipomoea blackie and the baby blue eyes with sky blue lobelia in containers ready for late May – June sales.

VEGETABLE PLANTS FOR 2018

These plants are suitable for gardens, planters or fields. The new improved pack and flat design contains more soil, deeper cells, community watering and a feature that holds the packs upright even when they are separated and spaced in the flat. Each flat has 8 packs of 6 plants, except leeks and onion have about 40 plants.

Please order by full flats. They all have descriptive tags for easy identification and growing instructions. They are healthy and robust.
