SEEDLING FLOWER PRICE LIST FOR 2025

(All prices are for cash payment at time of pickup. Add \$1.50 per flat for charge/delivery.)

Growers for Growers

We are custom growers who specialize in cooperation with our customers. We can grow almost any crop for you from seed. We prefer to use your high quality seed for varieties not listed here. **Custom flats with grower supplied seed are anywhere from \$13.00 - \$18.00** with a range of 500 - 1000 seeds per 10 row. Please consult Davey for exact pricing and estimates. There is no extra charge for custom grown plants when the order is ten or more flats of the same variety for a single pick up. **For less than 10 flats of a variety or pick up, there is a special handling charge of \$10.00 per variety.** Our goal is to have you be pleased that the plants in your plan work out for you. **Please order early, 6 to 8 weeks before you want the material ready.** Of course, at Harvest Farm all plants are guaranteed to be healthy, usable and satisfactory.
